Recent Council Actions

At their regular Council meeting on Monday, March 19, City Council took the following actions:

- Held a public hearing on the planned reconstruction of Floral Drive/County Road F/Demar Road. The Plan includes a complete reconstruction of the roads to modern standards that will include concrete curb and gutter, new roadway surface and a comprehensive stormwater collection and infiltration system. The \$1.4 million project will be funded through a variety of sources including the street renewal fund, utility fund and assessment against property owners. After hearing comments from several residents in the County Road F/Demar area, the Council ordered the project and authorized preparation of the plans and specifications, but deferred action on a few final design elements of the project.
- Approved a resolution adopting the updated precinct boundaries to comply with the redistricting plan that was recently determined by the State Court System. Redistricting occurs every 10 years following the census to insure that voting districts are balanced. Key legislation changes that impact Shoreview include:
 - The City went from 3 Senate Districts to 1. The City is now entirely in Senate District 42.
 - The City went from 3 House Districts to 2. The City will be divided into House Districts 42A and 42B.

These legislative changes result in minor changes to the City's voting precincts. Residents that are directly impacted will be notified by Ramsey County of their new polling locations.

City Meetings and Events

3/21: Environmental Speaker Series

3/26: Environmental Quality Committee

3/27: Planning Commission

3/28: Human Rights Commission

4/02: City Council Meeting

4/05: Bikeways and Trails Committee

4/09: City Council Workshop

EQC March Speakers Series: The Twin Cities Ecosystems Project

Household decisions contribute to environmental pollution as well as environmental solutions. Shoreview and Lino Lakes residents participated in two studies on transportation, diet, home energy use and lawn care. Find out what researchers learned about our individual decisions and their impacts on our local and global environments.

The conclusion of the Speaker Series will be held at 7 p.m. in the Council Chambers on April 18: The Future of Public Transit in Shoreview (by: John Doan, Metropolitan Council Member).

For more details, visit the City's website at www.shoreviewmn.gov.

SESCA German Dinner

The Shoreview Einhausen Sister City Association (SESCA) will host their 10th annual German Dinner at the Gasthaus Bavarian Hunter restaurant in Stillwater, MN, on Saturday, April 14, at 5 p.m. This

event will feature a presentation by Christa Tiefenbacher-Hudson, Co-Founder and Managing Director of TripleInk. She will present on "Germany and the European Crisis: The Way Forward."

For more information, visit the [City's website](#) or SESCA's website at www.sesca.org.

Check out Slice of Shoreview's New Website and Social Media

The Slice of Shoreview can be found at the same address www.sliceofshoreview.com, but has a new look.

You can also follow the Slice and their many events via Facebook and Twitter.

Make sure to mark your calendar for the event on July 27-29.
